

Original Paintings

Original paintings are the basis for all of the images on our products. Indios Arts was named after the indigenous art that we are reintroducing to the mainstream. All ages and people relate to these images, as seen in our diverse customer base. Please note the pages in the catalog that specify available original art.

Cedar Woman, show in actual size, 4" x 4"
Acrylic on Canvas, 2005
Original Painting by Sean Levon Nash
Inspired by Dineh Iconography.

Forrealism Art Exhibit, San Francisco, CA.

Sean Levon Nash lecturing at Arizona State University in Spring 2004 on behalf of the School of Communications.

Sean Nash, an artist from San Francisco, shows ASU students multicultural art on Wednesday outside of Stauffer Hall. Nash and his studio, Fuse, produced the art.

Artists, students paint to create culture
