

Soy Candles

All of our candles are made in San Francisco, California using the finest ingredients available, natural soy wax and cosmetic grade essential oils. The candles are handpoured into traditional glass altar candle holders. There are two sizes available, small 4" glass and large 8" glass. As the candles are custom made, they can be available in multiple colors or solid, and with or without scents and art images.

Large White Vanilla with Mayan Moon Goddess Image

Large Yellow Pineapple and White Vanilla

Sunburst Orange Red White Purple Green
Cocmango Butterscotch Rose Vanilla Lavender Cucumber

As our candles are made by hand, please allow for slight variations in tint and scent.

Assortment of candles with art images, multicolored and scented.
